

# Cherries

To parents:

Your child will practice filling in white areas in the following illustrations. It's okay if your child can't color the entire white spot neatly, and don't be concerned if he or she colors outside of the lines.

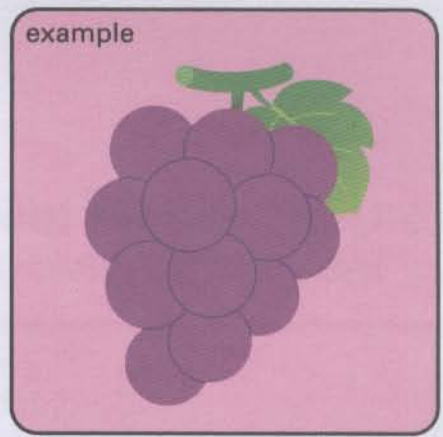

\* Color the white area below.

2

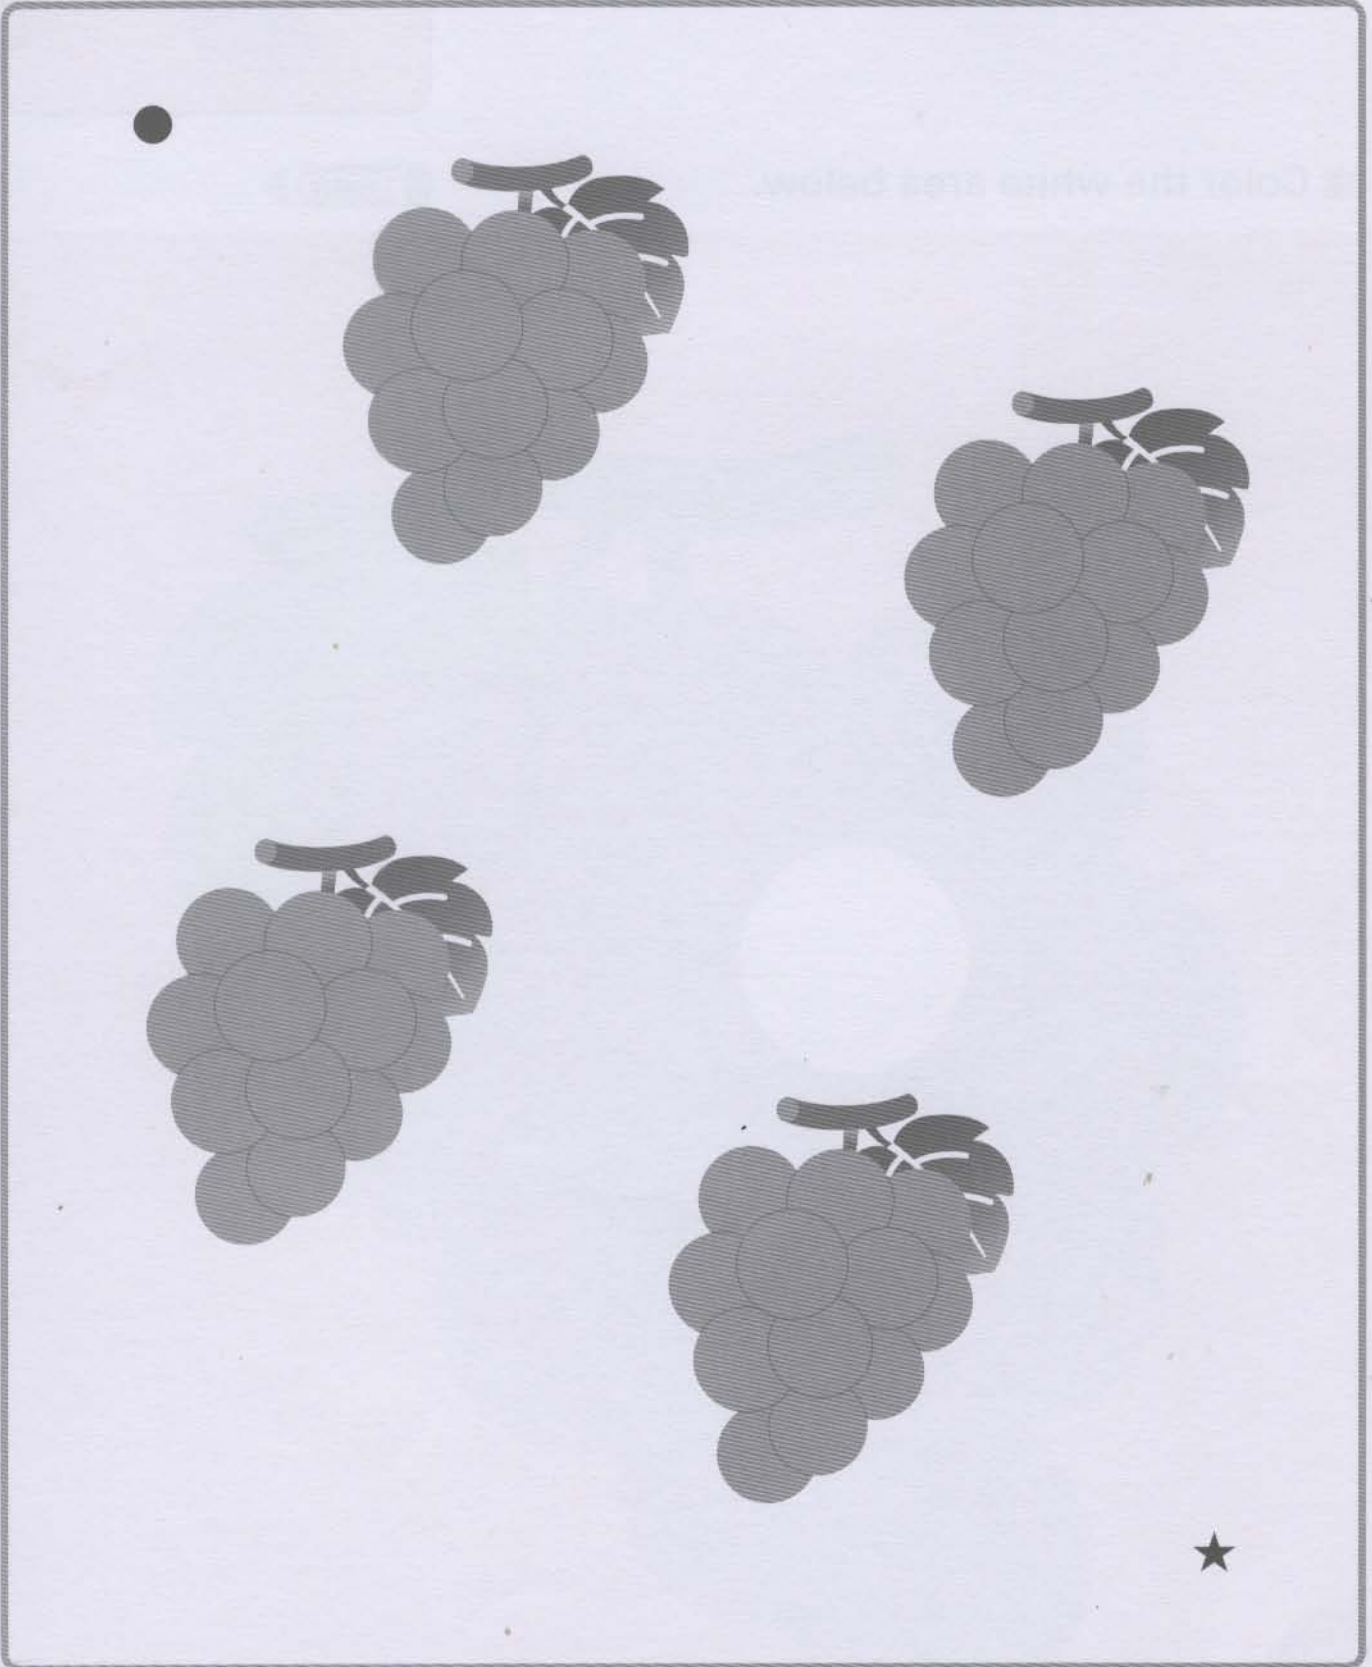

# Grapes

\* Color the white area below.

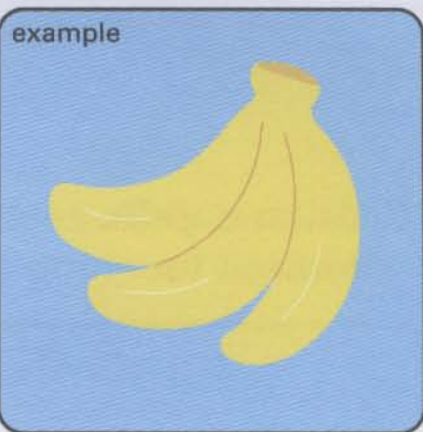

\* Using a **violet (purple)** crayon, draw a line from the dot (●) to the star (★) without touching any grapes.

# Bananas

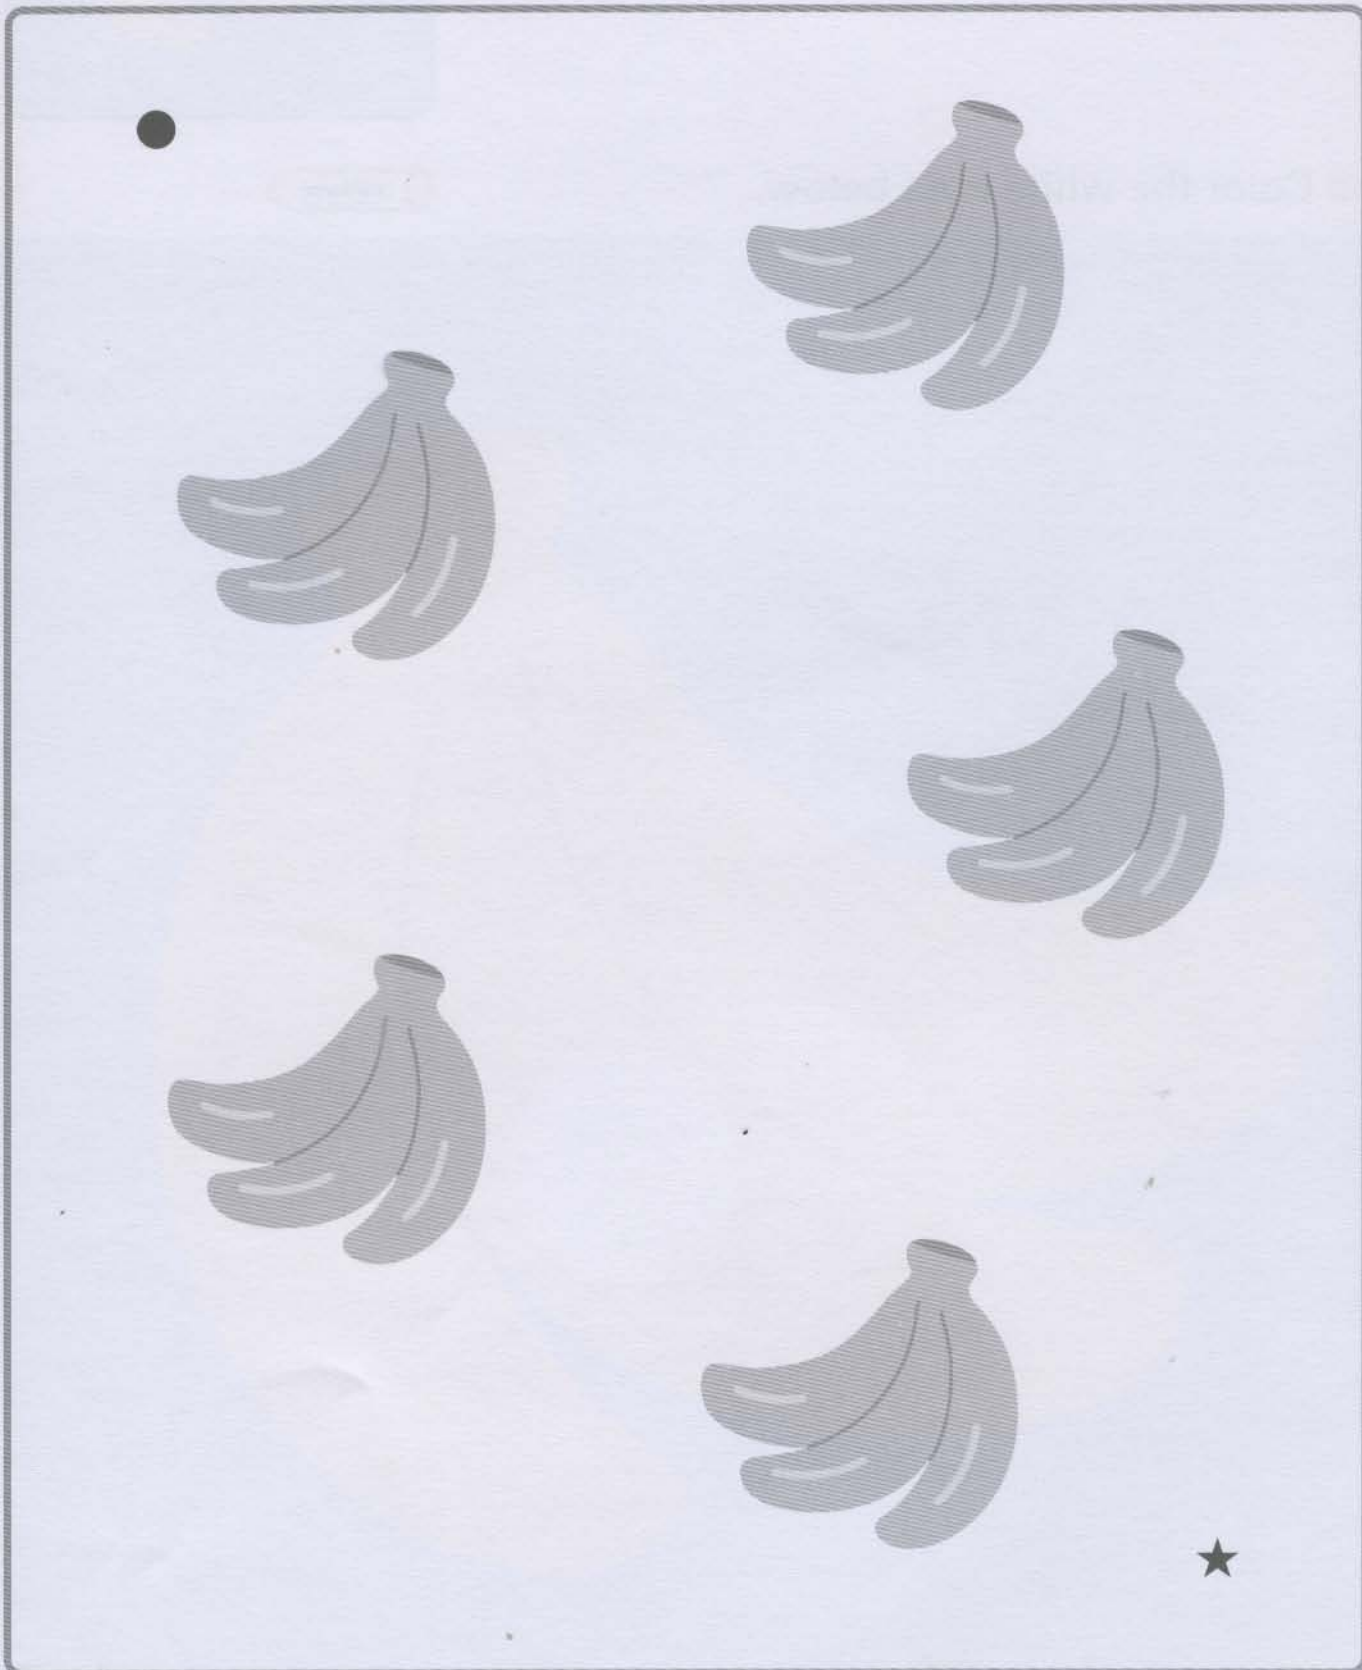

\* Color the white area below.

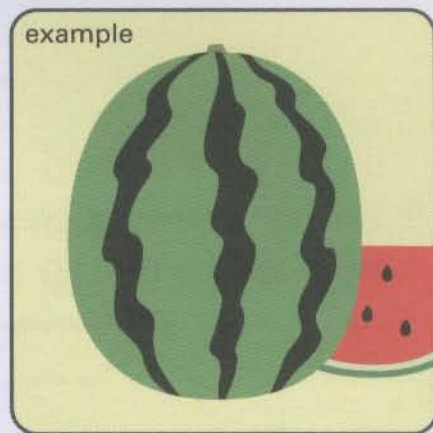

# Bananas

\* Using a **yellow** crayon, draw a line from the dot (●) to the star (★) without touching any bananas.

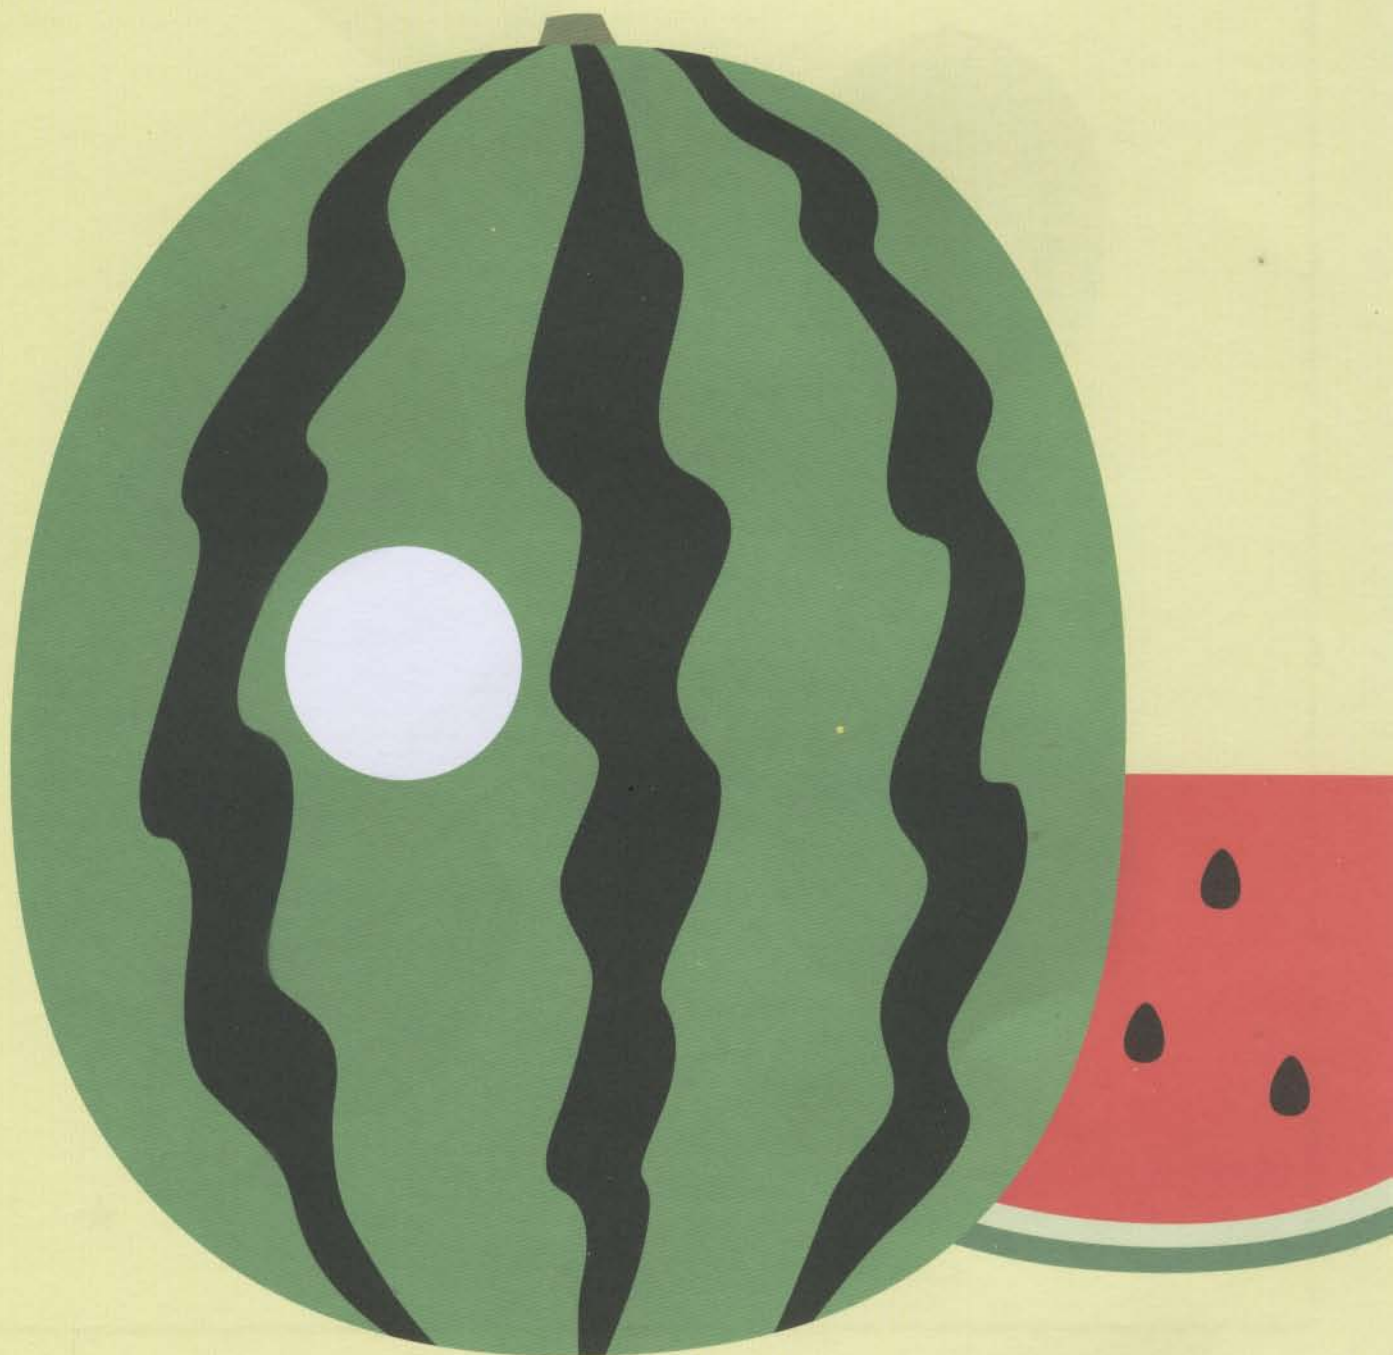

4
